

JOB POSTING

Job Title: Emergency Medical Technician
Company: Emergency Ambulance Service, Inc.
Job Type: Full Time
Location: Brea, CA

Emergency Ambulance Service, Inc. (EAS), a respected leader in the delivery of mobile healthcare services since 1977, is seeking to fill EMT positions working out of our Brea, CA location.

Overview:

This entry level non-exempt level position linked in a common purpose with other operations team members is responsible administering basic life support treatment to, and transporting, sick or injured persons in the pre-hospital and interfacility setting, as authorized by local EMS Agency Medical Directors and our Company Medical Director, by performing EMT duties, within the prescribed scope of practice and all applicable regulatory guidelines for prehospital care. The job assignment will initially require five variable 8 hour shifts per work week. However, after classroom training varied days and hours will be required as the position transitions to 9-hour shifts, fixed 12-hour shifts, or rotating 12-hour shifts. Generally, 24-hour shifts are offered later in employment. At minimum Candidates must have a High School Diploma or general education degree (GED); and one to six months of related training.

Six (6) months of verifiable recent and continuing experience as a practicing California certified EMT is preferred. However, we will accept applications from qualified and properly credentialed new grads or other candidates with less experience.
