Please indicate the basis of your eligibility in Section 12 of your application (STD 678). SROA/Surplus employees are encouraged to apply. Transfers, reinstatements, or recruitment from the employment list may be considered. Consideration may be given to applicants on another Department's employment list, provided the criteria are met to transfer the eligibility. Applications will be evaluated based on eligibility and desirable qualifications and interviews may be scheduled.

**ESSENTIAL FUNCTIONS:** Under the direction of the Emergency Medical Services (EMS) Systems CEMSIS Data, HIE, and QI Programs Manager, the incumbent serves as the EMS Data Systems Program Analyst. This position requires a skilled, technical program analyst with the ability to plan and evaluate a complex data collection system. This position requires knowledge of the collection and analysis of various types of data and the concept of database systems and validation.

**SPECIAL PERSONAL REQUIREMENTS:** During emergency operations, may be required to work in EMSA's Departmental Operations Center, other governmental Emergency Operations Centers or in EMSA's field Mission Support Team to provide assistance in emergency response and recovery activities. Staff is required to complete emergency management and Incident Command System (ICS) training based on their respective roles in a response and participates in periodic departmental and statewide readiness drills and exercises.

Under these emergency operations, staff need to work effectively and cooperatively under stressful conditions with short lead times; work weekends, holidays, extended and rotating shifts (day/night); and may be required to travel statewide for extended periods of time and on short notice.

**DESIRABLE QUALIFICATIONS**

- Knowledge of and/or experience in disaster planning, emergency medical services, public health administration and/or a health/medical background
- Research experience using statistical analysis from multiple data resources
- Strong written, analytical, interpersonal and oral communications skills
- Demonstrated ability to act independently, open-mindedness, flexibility and tact

**INTERPERSONAL SKILLS**

- Work well as part of a team and independently as necessary
- Build good working relationships with constituents, colleagues, and consultants

**HOW TO APPLY:**

Applicants must be a current or former State employee with transfer or reinstatement eligibility for this classification, or be reachable on a current employment list for this classification. Appointment is subject to SROA and State surplus policies. SROA or surplus candidates must submit a copy of surplus status letter.

All applications (Std. 678) will be screened and only the most qualified candidates will be interviewed. In order to be considered for this position, you must include your eligibility criteria in the explanation section of the application. (e.g., reinstatement, lateral transfer, list eligibility). The application must be postmarked by the final file date.

**APPLICATIONS SUBMITTED VIA E-MAIL OR FACSIMILE WILL NOT BE ACCEPTED.**

Submit a State Application (STD. 678) and resume to:
