

Los Angeles County Sheriff's Department Tactical Medicine Course

The LASD Tactical Medicine Course is a 40-hour competency-based training program. The course is approved and certified by the California Emergency Medical Services Authority (EMSA) and the California Commission on Peace Officer Standards and Training (POST). It meets the California POST and EMSA medical guidelines required for Medics attached to a SWAT Team. This course provides an intensive overview of tactical medicine through a combination of lectures, skill labs, and reality-based scenarios.

Course topics include, but are not limited to the following:

- Tactical Casualty Care
- Hemorrhage Control
- Airway Management
- Environmental Emergencies
- Pediatric Tactical Trauma
- Tactical Medical Equipment
- Medical Aspects of Chemical Agents
- Wound Ballistics
- Blast Injuries
- Low Light Assessment
- California TEMS Guidelines
- Pain Management
- Medical Aspects of Less Lethal Weapons
- Medical Aspects of Distraction Devices
