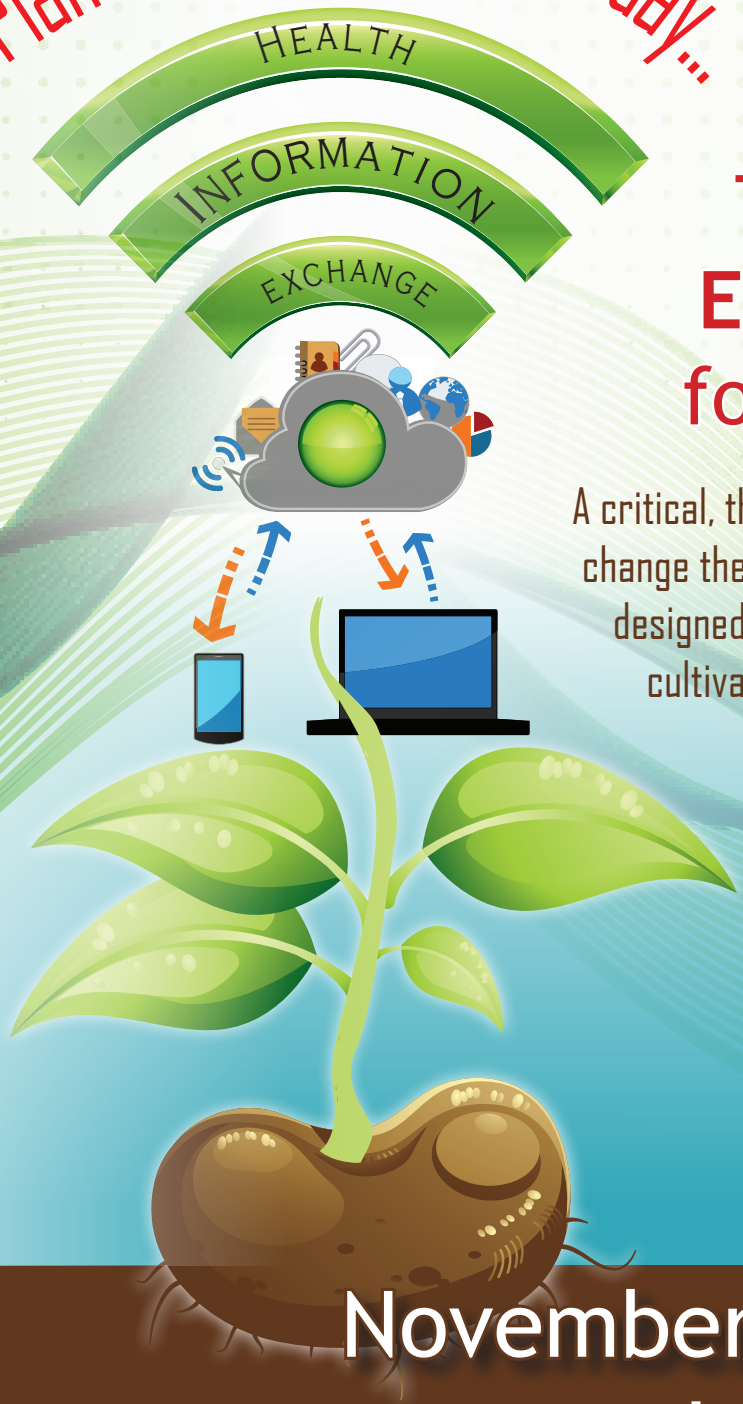
Planting the HIE Seed Today...



To Grow an **EMS Solution** for the Future

A critical, thought-provoking summit destined to change the way the EMS community thinks, and designed to bring stakeholders together to cultivate Health Information Exchange.

November 19 - 20, 2013
Los Angeles, CA
Westin Los Angeles Airport Hotel & Resort

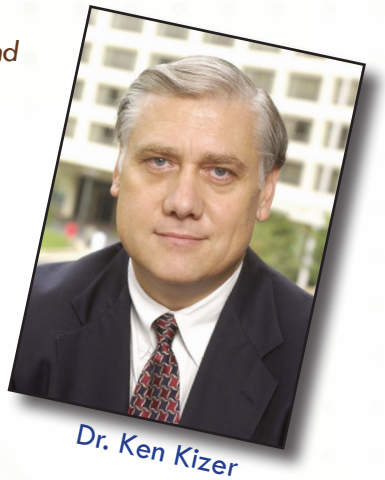
Summit Highlights

Objectives:

- Explore national vision for Health Information Exchange by understanding best-practice approaches
- Learn the benefits and value of expansive HIE
- Hear from key presenters on perspectives, opportunities and answers
- Begin a dialogue for positioning HIE while initiating a mindset of improved interface with health system stakeholders
- Facilitate optimal patient care via data sharing and exchange by cultivating a thought-leadership outlook

Presenters include:

We're pleased to include two full days of information! Thought leaders, innovators and success stories will help us plant the seed in California and grow a far-reaching, interconnected HIE solution.



Dr. Ken Kizer

Dr. Ken Kizer	Director, Institute for Population Health Improvement (IPHI) at UC Davis Health System, and a Target of Excellence professor at the School of Medicine and the Betty Irene Moore School of Nursing.
