

# Want to be a Paramedic?

*Let us help you achieve your dream!*

## UCLA Paramedic Education Program

### Top 5 Reasons YOU Should Come Here!

- 1 Get the Job: 95% of our graduates are employed within 6 months of graduation.**  
 Work as a firefighter-paramedic, private ambulance or flight paramedic, or prepare to be a nurse or physician.
- 2 Be the Best: 92% of students that start our program graduate!**  
 Our students also have a **92% 1st time passing rate** on the paramedic certifying exam.
- 3 Our Philosophy: "Matching Energy with Energy"**  
 We offer faculty-led tutoring and extraordinary support for study sessions, skills practice, and research.
- 4 Our Tradition of Excellence:** As the **1st accredited** Paramedic program in the country, we have **over 42 years** of graduating professional, critical-thinking paramedics.
- 5 Resources & people committed to YOU**  
 Our world class paramedic educators are passionate and

Ms. Heather Davis  
MS, NREMT-P

Brian Wheeler, AGS,  
EMT-P, CCEMT-P

deliver dynamic presentations. And we have unique features like a **Human Anatomy Lab**, and **internships with trauma centers & hospitals and major fire departments in Los Angeles.**

Other student services include a tuition payment plan, financial aid, scholarships, and GI Bill.

- ✓ Find the Program description, requirements, and application deadlines on-line.

*We offer preparation COURSES for your paramedic education:*

- Paramedic Preparation**  
 Covers Anatomy & Physiology, EKG Interpretation, Pharmacology, and more. 8-day course with 48 instructor-led CE!
- STEMI/12-Lead EKG**  
 Focuses on 12-lead EKG application & interpretation, and includes a hands-on skills session on proper lead placement. 2 day course with 14 hours of instructor led & 6 hours of non-instructor led CE.
- ECG & Pharmacology (ACLS Prep)**  
 This 2-day course focuses on specific ECG recognition skills and drug treatment knowledge and exceeds the level of the AHA ECG & Pharmacology course. Earn an AHA course completion certificate and 16 hours of Instructor lead CEU credit/4 hours of non-instructor lead CEU credit.
- And Quick Certification Courses:**
  - Prehospital Trauma Life Support
  - Advanced Cardiac Life Support & Pediatric Advanced Life Support (AHA ACLS & PALS)
  - Basic Life Support (AHA CPR)
  - EMT primary and recertification
