

How to Order Additional copies of the CD-ROM:

This training program is provided to healthcare providers in California at no cost. Multiple copies of the CD-ROM will only be provided to healthcare facilities, organizations and service providers and the number of CD-ROMs provided will be at the discretion of EMSA. Independent learners can receive a single copy of the program.

This CD-ROM training program can be ordered **via email only** at CBRNE@emsa.ca.gov.

When requesting copies of the video, include the following in the email:

Name of Individual or Healthcare Provider/Facility
Type of Facility or Organization
Mailing Address
County
Number of Copies Requested

Copying the CD-ROM:

Copies of the CD-ROM training program may be made for educational use by the user. All users must agree to the "End User License Agreement" as presented at the beginning of the CD.

Note: most computers are unable to copy the CD-ROM using the copy and paste functions. Therefore, in most cases, CDs must be copied in computers that have disk-to-disk copy functions.
