**SUBJECT: California State Trauma Performance Improvement and Patient Safety Plan
Public Comment Period
August 1, 2016 through August 30, 2016**

The Emergency Medical Services Authority (EMSA) has opened the public comment period for the State Trauma Performance Improvement and Patient Safety (PIPS) Plan. This document will guide the development of a State Trauma PIPS Program for California. The draft Plan is attached and may also be viewed on EMSA's website at www.emsa.ca.gov. Click on the [Public Comment](#) link under Popular Links.

Comments should be submitted in such a manner that they clearly indicate which portions of the draft Plan they are referencing. Please submit comments on the attached Public Comment Form, including page and line numbers for each item being commented on as well as the name and organization of the commenter for each comment submitted. The comment form may also be found at the [Public Comment](#) link.

Comment forms may be submitted to:
